Kepler - Bug #5360

changes to a sensor parameter might not take effect until next current sample

03/30/2011 01:27 PM - Derik Barseghian

Status:	Resolved	**Start date:**	03/30/2011
Priority:	Normal	**Due date:**

Target version:	sensor-view-0.9.0	**Spent time:**	0.00 hour
Bugzilla-Id:	5360		

Description

if you change e.g. the sampling rate of a sensor, the sensor won't immediately change to the new rate, it will change the next time it samples. This can mean having to wait a long time to see the change. Also, we're not sure if you actually have to wait for the next sample to come through for the change to actually take effect.

History

#1 - 04/18/2011 03:39 PM - Daniel Crawl

Fixed in both span and simulator.

#2 - 03/27/2013 02:30 PM - Redmine Admin

Original Bugzilla ID was 5360
