

Morpho - Bug #1033

metadata editor requires 2 saves to save changes

04/09/2003 11:41 AM - Chad Berkley

Status:	Resolved	Start date:	04/09/2003
Priority:	Immediate	Due date:	
Assignee:	Dan Higgins	% Done:	0%
Category:	morpho - general	Estimated time:	0.00 hour
Target version:	Postpone	Spent time:	0.00 hour
Bugzilla-Id:	1033		
Description			
Under linux, if I edit a dataset document then save the changes, the changes appear to be discarded. If I then edit the document again and save the changes, the changes seem to take. It happens consistently for me.			

History

#1 - 04/21/2003 01:54 PM - Dan Higgins

Problem fixed by removing older version from cache when editor exited. (Old copy was rewritten)

#2 - 03/27/2013 02:16 PM - Redmine Admin

Original Bugzilla ID was 1033
