

Morpho - Bug #11

ibm xml parser jar file missing or corrupted

02/04/2000 08:22 AM - Dan Higgins

Status:	Closed	Start date:	02/04/2000
Priority:	Normal	Due date:	
Assignee:	Dan Higgins	% Done:	0%
Category:	obsolete - mde	Estimated time:	0.00 hour
Target version:	Sep2000	Spent time:	0.00 hour
Bugzilla-Id:	11		
Description			
The file 'lib/xml4j_2_0_14beta.jar' that appears when mde is checked out is apparently corrupted or missing. The file appears to be only 1 KB long and cannot be examined, whereas actual xml4j.jar is over 700 KB.			

History

#1 - 07/03/2000 04:23 AM - Matt Jones

reassign to higgins

#2 - 07/24/2000 08:42 AM - Dan Higgins

Problem no longer exists.

#3 - 08/23/2000 10:56 AM - Matt Jones

This issue has been fixed, and its operation was verified.

#4 - 08/23/2000 10:58 AM - Matt Jones

Closed bug because issue is fully resolved.
