Target version:	1.5	Spent time:	0.00 hour
Bugzilla-Id:	1203		

Description

New DataPackage class should detect eml beta6 docs and dynamically convert to eml2.0 format for display in order to make presentation uniform. Beta6 docs are NOT changed by simple viewing, but when modified by owner, new versions will be saved as eml2.0 documents to aid in eventual upgrade to new format.

History

#1 - 11/17/2003 12:39 PM - Dan Higgins

changed to include in next release

#2 - 12/16/2003 08:44 AM - Dan Higgins

This change has been implemented in latest version.

#3 - 03/27/2013 02:16 PM - Redmine Admin
