Description

we need to load a new version of USDA/ITIS plants. These need to be linked into
older concepts, in a manner as yet to be determined.

History

#1 - 11/24/2003 11:18 AM - Michael Lee

bug 701 deals with the link between 2 years of PLANTS. Use the methods
described and devised there to accomplish link between this 2004 data and older
data.
