

Metacat - Bug #128

change resource public ID in the catalog

09/20/2000 01:00 PM - Chad Berkley

Status:	Resolved	Start date:	09/20/2000
Priority:	Normal	Due date:	
Assignee:	Chad Berkley	% Done:	0%
Category:	metacat	Estimated time:	0.00 hour
Target version:	Beta1 (AnnMeet2000)	Spent time:	0.00 hour
Bugzilla-Id:	128		
Description			
The public ID of eml-resource documents needs to be changed in the catalog to fit with the standard syntax of public IDs. It should be changed from "resource" to "-//NCEAS//DTD resource-1.0//EN".			

History

#1 - 09/25/2000 08:17 AM - Chad Berkley

this was added 9/25/00. It was also added to the loadstylesheets.sql file.

#2 - 03/27/2013 02:13 PM - Redmine Admin

Original Bugzilla ID was 128
