This has been done, but not tested on site, as tekka is down and other machines different configured (:8080).

should test once site is released for 1.0.2

This can use some more organizing, but is up and on the site.

#3 - 03/03/2004 06:15 PM - Michael Lee

Further organization is not a 102 release task. Moving down in milestone.
