Description

A recent test of Morpho using Java 1.3 (1.4 has been used for most development and testing) indicated that there are several problems with using this older Java version. We need to carefully check all Morpho operations under 1.3 and fix problems.

History

#1 - 03/08/2004 04:04 PM - Dan Higgins

1.3 problems with attribute and party special editors not appearing in the editor have been fixed. still need to check other features.

#2 - 03/10/2004 11:32 AM - Dan Higgins

All known 1.3 problems have been corrected.
