

Metacat - Bug #1366

Changes in review entry page

03/09/2004 03:51 PM - Saurabh Garg

Status:	Rejected	Start date:	03/09/2004
Priority:	Normal	Due date:	
Assignee:	Saurabh Garg	% Done:	0%
Category:	registry	Estimated time:	0.00 hour
Target version:	Postpone	Spent time:	0.00 hour
Bugzilla-Id:	1366		

Description

1. When user selects none of the states - "Select State Here" appears on the page
2. If you edit a document which has keyword as none selected in the first run and you send keyword type as a blank, it removes all the other text in keyword.

History

#1 - 01/07/2005 03:16 PM - Saurabh Garg

Not able to reproduce 2.

Moving target to 1.6

#2 - 03/27/2013 02:16 PM - Redmine Admin

Original Bugzilla ID was 1366

#3 - 10/30/2013 10:42 AM - Matt Jones

- Status changed from New to Rejected

Rejecting this bug report because it is no longer relevant bcse we aren;t supporting review entry any longer, plus it couldn't be reproduced.
