Target version:	Postpone	Spent time:	0.00 hour
Bugzilla-Id:	1439		

Description

Reeves suggests the following text changes:

Step 13: Data Package Access Information <new title>

Public Morpho users access: By default, Morpho grants read-only access to public users. If you wish these users to be able to review your data package, select the Yes button. Otherwise, select the No button.

<modified caption 1>

< existing radio buttons and captions>

Manage other Morpho users access rights: Use the table below to create, modify, and delete access for any Morpho user to your data package.

<modified caption 2>
