#### Description

Creating a new package in the DPW with taxonomic information for 3 species does not actually save the taxonomic coverage node in the tree. When "Documentation|Taxonomic Coverage" is opened, the taxa entered previously are not displayed, and when the package is opened in the editor the coverage node is not present.

#### History

##### #1 - 04/12/2004 02:19 PM - Perumal Sambasivam

Fixed.

##### #2 - 03/27/2013 02:17 PM - Redmine Admin

Original Bugzilla ID was 1473
