#### Description

The current list of organizations that displays in the profile dialog is wrong (it lists 'NRS' rather than 'UCNRS'). I also discovered that this list is hardcoded in the code. Proposed solution: move organizations to config.xml so that users can modify the list.

#### History

##### #1 - 04/12/2004 01:30 PM - Matt Jones

Fixed as proposed. The "<organization>" element in the config.xml file now lists all organizations that should be included in the profile dialog box, and NRS was changed to UCNRS. Update the version # in order to propagate this config.xml change.
