Description

- 1) Warning message pops up ("Warning! ERROR: Cannot Delete!") when trying to delete an entry.
- 2) After choosing "Select from a different data package" from the drop-down list, nothing happens.
- 3) People entered on a previous screen in the dpw do not appear in the dropdown list on later screens.

History

#1 - 04/15/2004 02:20 PM - Andrea Andrea

These also occur after adding personnel info as part of a "larger umbrella research project".

#2 - 04/19/2004 04:12 PM - Dan Higgins

seems to be fixed in RC2 (Andrea)

Could not replicate (Higgins, et al)

#3 - 03/27/2013 02:17 PM - Redmine Admin
