Description

I downloaded RC2 at 11:00 Today Apr 20.

The 'New Data Package Wizard / Welcome to the Data Package Wizard' screen shot
in the Morpho User Guide included in the Morhpo Help does not match the screen
displayed in RC2. Specifically, the hyperlink: Ecological Metadata Language
(EML) Guide does not appear in the help file screen shot.

Suggest revisiting all Morpho User Guide screen shots; the other updates may
not have made it into the documentation.
