Blocks SEEK - Bug #1677: Modify concept package objects to handle relationshi...		In Progress	09/13/2004

History

#1 - 07/26/2004 09:13 PM - Aimee Stewart

Update documentation to better illustrate the implementation and objectives of APIs.

#2 - 11/29/2004 10:12 AM - Aimee Stewart

We are now in agreement that concepts can be defined a single way. Different views of the data (with or without relationships) can be handled in the GUI tools.
