Description

Here are some typographical errors in different Morpho windows:

New Data Package Wizard/Step 1/"Note:" (at bottom of window): "personell" should
be changed to "personnel".

New Data Package Wizard/Step 2: need a space before "design or methods of the
study."

New Data Package Wizard/Step 12/Classification System/Define the Citation
Details window: "Pubication Date" should be changed to "Publication Date".

Network Status box in main Morpho window (after you have logged in): change "you
have access priviliges" to "you have access privileges".
