Bugzilla-Id:	182		

Description

There is a field, 'updated', in xml_documents that is not used for anything. It should be removed from the xmltables.sql script.

History

#1 - 01/31/2001 10:56 AM - Jivka Bojilova

DONE - removed "updated" attribute from xml_documents

#2 - 03/27/2013 02:13 PM - Redmine Admin
