

Utilities - Bug #184

need error message when rejecting download request

03/23/2001 02:33 PM - Matt Jones

Status:	Resolved	Start date:	03/23/2001
Priority:	Normal	Due date:	
Assignee:	Chad Berkley	% Done:	0%
Category:	Software Download Servlet	Estimated time:	0.00 hour
Target version:	---	Spent time:	0.00 hour
Bugzilla-Id:	184		

Description

When a user fails to click the "Accept License" checkbox on the web form, their request is denied and they are returned to the form, but no error is indicated. Need to provide an error message, and preferably provide the form with their previous values filled in for them to resubmit.
