

Jalama - Bug #1937

XBL Datatable Widget - fields shouldn't automatically keep prev record's values

02/01/2005 08:02 PM - Matthew Brooke

Status:	Resolved	Start date:	02/01/2005
Priority:	Normal	Due date:	
Assignee:	Matthew Brooke	% Done:	0%

Target version:	1.0.0beta1	Spent time:	0.00 hour
Bugzilla-Id:	1937		

Description

fields shouldn't automatically keep prev record's values, but this should be configurable by the admin. Keeping same values may be appropriate for "metadata"-type attributes that aren't being collected (eg site, date, etc), but not for data-type values (species found etc)

Settings for this would ultimately be made in admin rules gui - see Bug [#1930](#)
