Metacat - Bug #195

allow metacat to store files on multiple fs

04/09/2001 12:53 PM - Matt Jones

Status:	In Progress		**Start date:**	04/09/2001
Priority:	Normal		**Due date:**	
Assignee:	Jing Tao		**% Done:**	0%
Category:	metacat		**Estimated time:**	0.00 hour
Target version:			**Spent time:**	0.00 hour
Bugzilla-Id:	195			

Description
Metacat currently stores files on a single file system. Need to changes this so that Metacat can be configured to store files on multiple file systems in case space management by the administrator requires this.
