When trying to set attributes for elements with a content type of "EMPTY", the attribute editing dialog box doesn't work. This is important functionality, especially for the eml-dataset "relations" element.			

### History

Maybe we should reconsider the use of EMPTY elements in the DTD's. Most users don't seem to grasp the concept.

Reassigned to jones as part of the mde cleanup.

#### #6 - 04/09/2001 06:03 PM - Matt Jones

Assigned low priority because we may be jettisoning MDE.

#### #7 - 04/09/2001 06:07 PM - Matt Jones

Lowered priority because we might drop MDE and replace it with another editing solution.

#### #8 - 05/11/2001 01:50 AM - Matt Jones

Won't fix -- new metadata editors for Morpho make MDE obsolete. Will reopen this bug if that decision changes.
