Kepler - Bug #2033

provide indication of actor compatibility

03/11/2005 01:02 PM - Laura Downey

Status:	New		**Start date:**	03/11/2005
Priority:	Normal		**Due date:**	
Assignee:	Shawn Bowers		**% Done:**	0%
Category:	semantics		**Estimated time:**	0.00 hour
Target version:	3.X.Y		**Spent time:**	0.00 hour
Bugzilla-Id:	2033			

Description

provide some indication to user of actor compatability, e.g, if they have some actor selected, somehow indicate to them which actors can be hooked up to the currently selected actor

History

#1 - 03/11/2005 02:34 PM - Matt Jones

This feature of being able to indicate actor compatibility is already envisioned. The implementation is going to be described for actors (bug #1918), data (bug #1920) and gui changes (bug #1921).
