

Kepler - Bug #2118

allow users to create units based on units in current ontology

06/13/2005 12:00 PM - Laura Downey

Status:	New	Start date:	06/13/2005
Priority:	Normal	Due date:	
Assignee:	Shawn Bowers	% Done:	0%
Category:	semantics	Estimated time:	0.00 hour
Target version:	3.X.Y	Spent time:	0.00 hour
Bugzilla-Id:	2118		
Description			
Allow users to extend ontology in terms of extending units (make up a new unit based on units in the current ontology)			

History

#1 - 11/02/2005 05:00 PM - Matt Jones

Also need to consider how to link EML-defined units from the EML unit dictionary to the ontological units and the ptolemy unit system.
