VegBank - Bug #2167

Fix messages with Struts. Login failed, Registration failed, etc.

08/08/2005 04:12 PM - Michael Lee

Description

When you fail something for some reason, the messages don't appear (on aldo).
They DO appear on vegbank. So weird... Permissions issue (ie something can't
access something on aldo, but it can on vegbank).????

History

Hopefully my latest work on VegbankAction will alleviate these annoying status message issues. Closing
bug.
