Metacat - Bug #2217

Change output text for Usage rights

09/30/2005 01:08 PM - Veronique Connolly

Status:	Resolved		**Start date:**	09/30/2005
Priority:	Normal		**Due date:**	
Assignee:	Saurabh Garg		**% Done:**	0%
Category:	registry		**Estimated time:**	0.00 hour
Target version:	1.6		**Spent time:**	0.00 hour
Bugzilla-Id:	2217			

Description

Under the "Usage Rights" field, when you select "Obtain permission from data set owner(s)" the output (what appears in the data package) is simply "permissions".
The output should be "Obtain permission from data set owner(s)".

History
