

Kepler - Bug #2277

Simplify Kar loading

11/16/2005 10:18 AM - Kevin Ruland

Status:	Resolved	Start date:	11/16/2005
Priority:	Normal	Due date:	
Assignee:	Kevin Ruland	% Done:	0%
Category:	core	Estimated time:	0.00 hour
Target version:	1.0.0alpha8	Spent time:	0.00 hour
Bugzilla-Id:	2277		
Description			
For first release, simplify the kar loading process to operate on moml documents only. Each moml file will describe a single actor.			

History

#1 - 12/06/2005 10:15 AM - Kevin Ruland

In Trunk, I have implemented a revised kar build system which does not utilize the actorList.moml or directorList.moml files. The kars are constructed using the ant <jar> task from files in src/actors/** and src/directors/**. By using an ant task, dependencies can properly be determined, and the kars will not change unless the src files change.

#2 - 02/13/2006 02:19 PM - Chad Berkley

I think this has now been completed.
