

SEEK - Bug #2292

out of memory problems on DiGIR EcoGrid implementation

11/29/2005 12:14 PM - Matt Jones

Status:	In Progress	Start date:	11/29/2005
Priority:	Immediate	Due date:	
Assignee:	Kevin Ruland	% Done:	0%
Category:	ecogrid	Estimated time:	0.00 hour
Target version:	ecogrid-1.0.0	Spent time:	0.00 hour
Bugzilla-Id:	2292		
Description When resultsets are large, the DiGIR implementation can run out of memory. This is a problem related to how the resultset is built up in memory and needs to be fixed to support arbitrarily large (or at least very large) result sets.
