Description

Need to look at dynamic addition of menu items to Window menu and MRU File menu.
Need to keep a pointer to these for future use (actually, already have pointer in keplerMenuMap)

History

#1 - 05/26/2006 11:35 AM - Matthew Brooke

"keplerMenuMap" has now become ptolemy.vergil.basic.MenuMapper - in the kepler/src/exp directory

#2 - 04/03/2009 01:53 PM - Chad Berkley

This issue can be looked at when the MenuMapper functionality is examined during exp file removal.

#3 - 06/26/2012 12:08 PM - Daniel Crawl

MenuMapper can now update the menus in all open windows. A MRU file menu has been added (bug 4068).
