

Kepler - Bug #2340

Adding new actor to actor tree does not work

01/19/2006 12:10 PM - Dan Higgins

Status:	Resolved	Start date:	01/19/2006
Priority:	Normal	Due date:

Target version:	1.0.0alpha9	Spent time:	0.00 hour
Bugzilla-Id:	2340		

Description

Right clicking on a directory in the actor tree brings up a menu to add an actor to the folder. Selecting the add actor menu brings up a dialog which used to work for atomic actors. Now (1/19/2006) trying to add an actor just brings up a dialog that says 'Something bad happened'

I have disabled this menu item. I don't think it is desired functionality and it probably will not be reenabled.
