Target version:	1.0.0rc1	Spent time:	0.00 hour
Bugzilla-Id:	2387		
Description			
Dragging one of the folders in the actors tree to the workarea generates an exception that is confusing. (I thought we had fixed this) Dan Higgins 21 March

Currently, it appears that dragging a non-leaf node does nothing - i.e. no confusing messages. This seems to be the right behavior!
