

Kepler - Bug #2400

Need ability to set parameter ranges and relationships.

04/06/2006 01:47 PM - Dan Higgins

Status:	New	Start date:	04/06/2006

Target version:	3.X.Y	Spent time:	0.00 hour
Bugzilla-Id:	2400		
Description			
We might consider a new Parameter actor that would allow the user to specify ranges of values to be allowed and even relations between parameters. This would make it much easier for a modeler to set the allowed relations of input parameters.

This would be cool. It would be nice if there were parameters that had a limited range. The range could be an attribute of a type, sort of like the unit system.
