Kepler - Bug #2441

Actor port positions not maintained following kar library build

05/18/2006 02:03 PM - Josh Madin

Status:	Resolved		**Start date:**	05/18/2006
Priority:	Normal		**Due date:**

Target version:	Unspecified		**Spent time:**	0.00 hour
Bugzilla-Id:	2441			

Description

When an actor has a port "_cardinal" set as SOUTH, it appears on "WEST" following a kar library build. When building the library, it appears that kepler only pays attention to "input" and "output", and positions the ports as "EAST" and "WEST" accordingly and ignores the "_cardinal" property.

History

#1 - 04/12/2007 03:04 PM - Dan Higgins

fixed with recent change to saving Port Moml info

#2 - 03/27/2013 02:20 PM - Redmine Admin
