Bugzilla-Id:	2471			

Description

Attempts to use the 'Upload to Repository' popup menu throws the error

```
[java] repository initialized with put server: http://library.kepler-projec
t.org/kepler/services/EcogridPutService
     [java] repository initialized with auth server: http://library.kepler-proje
ct.org/kepler/services/EcoGridAuthLevelOneService
     [java] repository initialized with lsid server: http://library.kepler-proje

     [java]     at org.apache.axis.message.SOAPFaultBuilder.createFault(SOAPFaul
tBuilder.java:222)
```

Note that this problem occurs in both the Beta1 release and the current (6/26) head of CVS

History

#1 - 07/06/2006 09:55 AM - Dan Higgins

Further examination of the error message here suggests that the problem is on the server side rather than in the Kepler code!
Dan Higgins

#2 - 07/07/2006 03:46 PM - Dan Higgins

Jing discovered that this was a server error apparently due to an update of the xerces jar on the server. commenting out one setting for xerces removed the problem.
