Description			
The "New Data Package" wizard requires mouse clicks to move from screen to screen. Need to add the "Return" key as a default for the "Next" button, and the escape key as a default for cancel. "Alt-N" and "Alt-P" for next and previous would also be nice.

History

#1 - 07/12/2001 05:11 PM - Matt Jones

Changed milestone for a number of morpho features that will not be able to be completed by Beta 1 (ESA). Delaying these features to Beta 2.

#2 - 02/19/2004 08:56 AM - Saurabh Garg

The bug was re-entered as [#1293](#). Hence removing this one.
