<b>Description</b> The wizard should use the profile info about a person as the defaults when filling out metadata for a new package. The Information collected by the profile should be expanded to include all of the "party" info for the profile user, so they only have to enter it once.

History

#1 - 07/12/2001 05:11 PM - Matt Jones

Changed milestone for a number of morpho features that will not be able to be completed by Beta 1 (ESA). Delaying these features to Beta 2.

#2 - 11/06/2002 01:10 PM - Matt Jones

More comprehensive feature request for this described in bug 669.
