Bugzilla-Id:	2533			

Description

temptbl* tables need to be kept up to date. Currently they aren't.

History

#1 - 09/07/2006 04:28 PM - Michael Lee

probably best to add to nightly cron job sql

#2 - 09/11/2006 04:11 PM - Michael Lee

these tables are only affected if someone adds new plants/comms, which is somewhat rare.

#3 - 03/27/2013 02:20 PM - Redmine Admin
