Blocks Metacat - Bug #248: id finder needed for metacat		Resolved	07/10/2001

History

#1 - 07/30/2001 10:07 AM - Chad Berkley

changed status to p2

#2 - 10/15/2001 04:37 PM - Dan Higgins

Morpho now uses the Metacat capability to return the maxID for a user (action=getlastid with username) and set the users profile xml appropriately

Apparently, however, Metacat does NOT return the last ID (It seems to return the last id of a dataset document).

#3 - 10/18/2001 05:46 PM - Dan Higgins

Discrepancy fixed by changing order of sending docs to Metacat
