Kepler - Bug #2558

Cannot create a new 'kar' file for modified actor

10/03/2006 11:02 AM - Dan Higgins

Description

We have a 'Save in Library...' menu for adding a modified actor to the actor/ontology list(tree) but this menu no longer creates a 'kar' file. We need to add a menu item for creating a kar file so that the new actor description can be saved and added to source code.

History

#1 - 11/21/2006 10:04 AM - Dan Higgins

Export Archive and Inport Archive menus have fixed this problem
