

InfoVeg - Bug #2607

26. Misfunction on back-to-query button

10/27/2006 03:51 PM - Michael Lee

Status:	Closed	Start date:	10/27/2006
Priority:	Immediate	Due date:

Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	2607		

Description

After displaying a distribution map and clicking "Go back to query result", selecting a page number in the query result takes you back to the map, not to the additional query results. For example, try this for a family search on Asteraceae.

RKP:

Oops! That does seem to be an error. We will work on this.
