Description

Two text errors on the data source description page.

1. The NCU description should be changed to read:
"Those specimens in the University of North Carolina Herbarium(NCU) that have been databased."

2. The NCSC description should be changed to read:
"Those specimens in the North Carolina State University Herbarium (NCSC) that have been databased (to date, cultivated plants, plus NC occurrences of families Acanthaceae through Brassicaceae)."
