<b>Description</b>			
The ESA data registry login page <a href="http://data.esa.org/cgi-bin/register-dataset.cgi?cfg=esa">http://data.esa.org/cgi-bin/register-dataset.cgi?cfg=esa</a> does not include LTER in the drop down menu for organizations. This will prevent users with LTER accounts from logging into the ESA data registry. LTER needs to be added to this menu.
