Target version:	1.8.1		**Spent time:**	0.00 hour
Bugzilla-Id:	2647			

Description

The ESA data registry login page http://data.esa.org/cgi-bin/register-dataset.cgi?cfg=esa
does not include LTER in the drop down menu for organizations. This will prevent users with LTER accounts from loggin into the
ESA data registry. LTER needs to be added to this menu.

History

I've got some authors who have a dataset to register, but are waiting on this fix.
thanks.
