Target version:	1.7	Spent time:	0.00 hour
Bugzilla-Id:	2648		

Description

All instances of the following LTER link in metacat's web templates:

<http://sql.lternet.edu/scripts/intranet/sendmemy password.pl>

should be replaced by the following link:

<http://savanna.lternet.edu/sendpassword.php>
