<b>Description</b>			
All aspects of installing, configuring and using the spatial option should be covered in the docs before the release.			

### History

#### #1 - 03/22/2007 10:40 AM - Matt Jones

Spatial documentaiton is reasonable but could use more details. Moving bug to 1.8.

#### #2 - 01/24/2013 12:09 PM - ben leinfelder

We have a section about using it and one about configuring it. Plus all the Geoserver docs are applicable for advanced administration.
