Bugzilla-Id:	2735		

Description

Any data search with the GEON Ecogrid source enabled gives error messages (e.g. [java] ERROR (org.ecoinformatics.seek.datasources.EcogridQueryDataCacheItem:doWork:92) The exception in query is [java] AxisFault [java] faultCode: {http://schemas.xmlsoap.org/soap/envelope/}Server.userException [java] faultSubcode: [java] faultString: java.net.ConnectException: Connection refused: connect

Metacat and Digir responses still seem to work OK even when these messages occur.
