

## InfoVeg - Bug #2745

### When I import data from another database, the reset woody fails

01/22/2007 04:42 PM - Michael Lee

<b>Status:</b>	Resolved	<b>Start date:</b>	01/22/2007

<b>Bugzilla-Id:</b>	2745		
<b>Description</b>			
resetting woody data fails when importing from another database. Should either change that field when importing (proably the best idea) and/or check to be sure that the only value in USDA_Woody is "Y" before updating.			

### History

---

**#1 - 01/22/2007 04:57 PM - Michael Lee**

Importing from another database fixed.

still need to check values when I reset field.

**#2 - 01/22/2007 04:59 PM - Michael Lee**

now reset checks for invlaid values in the species list before resetting.
