Bugzilla-Id:	2755			

Description

When i have an entity reference like < in the documentation for an actor, after I run 'ant generateDoc', < is transformed to < which is wrong. The doc system needs to be a bit smarter about translating ampersands.

History

#1 - 05/18/2007 11:51 AM - Chad Berkley

no longer an issue with the new documentation system.

#2 - 03/27/2013 02:21 PM - Redmine Admin

Original Bugzilla ID was 2755
