History

#1 - 02/05/2007 04:10 PM - Michael Lee

individual stem plots are not unfolding into the archive properly either. Need to pull in the unique species over to taxonObservation then do the other tables.

#2 - 02/12/2007 05:21 PM - Michael Lee

oops, added this twice. Though it is a large enough error that it could justify two bugs.
