

Morpho - Bug #2768

<http://knb.ecoinformatics.org/knb/servlet/metacat> preference setting problem

02/12/2007 01:00 PM - Callie Bowdish

Status:	Resolved	Start date:	02/12/2007
Priority:	Normal	Due date:	
Assignee:	P. Anderson	% Done:	0%
Category:	morpho - general	Estimated time:	0.00 hour
Target version:	Unspecified	Spent time:	0.00 hour
Bugzilla-Id:	2768		
Description			
The default preference setting in Morpho is not working. Unless the "servlet" part is removed login does not go through. An error box says Login failed. Please check the Caps Lock key and try again. This might be new since the last changes that were made to other metacat related files.

closed but 2498 is similar

#2 - 02/08/2008 11:19 AM - Callie Bowdish

I haven't observed any problems like this with the latest release of Morpho.
