Kepler - Bug #2803

Right click documentation menu item from left pane

03/18/2007 11:02 PM - Ilkay Altintas

Status:	Resolved	**Start date:**	03/18/2007
Priority:	Normal	**Due date:**	
Assignee:	Chad Berkley	**% Done:**	0%
Category:	documentation	**Estimated time:**	0.00 hour
Target version:	Post-rel-1.0.0	**Spent time:**	0.00 hour
Bugzilla-Id:	2803		

Description

Optional feature to view the documentation without having to drag and drop the actor, i.e., from the left pane library with a right-click context menu. It was suggested by a new user.
